## Experience

Wyn Design Company, LLC | Washington, DC

Owner + Principal Designer | July 2021 to Present

Focused on the welcoming and experiential aspects of both residential and hospitality design, Wyn Design Company led by Sarah W. Wingo, provides collaborative and detail-oriented client engagements for design and architectural interior projects from kick-off through construction and installation.

Corcoran School of the Arts and Design at GWU | Washington, DC

Adjunct Professor | Fall 2021 Spring 2022

- Created and designed curriculum for CIAR 6950 Leadership in Design to be offered for the first time in Spring 2022
- Taught a respectful, approachable and curiosity-driven Studio 4 class in Fall 2021 coaching students in their senior year of the Interior Architecture program through the NEXT competition offered by Steelcase. Students also engaged with the National Building Museum to reimagine their Play, Work, Build exhibit.

Grizform Design Architects | Washington, DC

Project Interior Architect | November 2018 to July 2021

- Led design decisions for interior elements, finishes, and FF+E for a variety of hospitality projects including restaurants, hotel lobbies, food halls and bars
- Managed client relationships to support a collaborative and trusting firm engagement
- Led decision-making design presentations with both clients and internal design team
- Created FF+E specifications, and developed firm's FF+E purchasing standards

Perkins&Will | Washington, DC

Arch I | August 2017 to October 2018

- Designed test fits and space plans for corporate interior spaces
- Documented construction details for corporate interiors and higher education projects
- Founded the ARE study group to encourage and promote licensure among staff members

American Institute of Architecture Students | Washington, DC

National President | July 2016 to July 2017

- Served on National AIA Board of Directors as Student Representative, 2017
- Served on National AIA Strategic Council as Student Representative, 2016
- Led AIAS Governance Committee to rewrite the vision statement and include six new value statements
- Increased AIAS awareness within the profession through firm travel and publications
- Initiated the AIAS Design Think Tank to recognize committee members not only for volunteerism and leadership, but for design as well.
- Collaborated with American University of Dubai to initiate the first AIAS International Conference in Dubai, which took place in Spring of 2018
- Planned and executed a strategic session for students to envision the potential futures of AIAS's relevancy 60 years in the future as a retrospective celebration with the Walt Disney Imagineers for the AIAS 60th Anniversary
- Led Board decision to validate and promote the use of an "AIAS" credential for member identification of leadership, service, and design abilities
- Expanded Freedom By Design service portfolio by offering and promoting more project types and initiatives to be undertaken by chapters
- Provided path for students to receive funding for their first passed or failed exam, leading by example and speaking openly about failure on the path to licensure
